

1 Bankruptcy Court

Oct. 1, 2010

Sir:

I received copy of a US Bankruptcy Court - GM Corp., I am not sure why I am receiving same.

I do own 100 + shares of GM Stock. Previously, before their bankruptcy, I tried to get in touch with someone regarding my stock, but was unable to get a hold of anyone who would talk with me about it.

Would you please let me know what I am to do... and what can be done with my GM stock.

If you cannot advise me, will you please give me the name of someone who can help me.

Thank you.
